MEMORANDUM FOR SFC Jason Snow, Headquarters and Headquarters Company,  
75th Ranger Regiment, Fort Moore, Georgia 31905

SUBJECT: Letter of Reprimand

1. You are hereby reprimanded for the poor judgment you exhibited on 24 December 2023. Your conduct brought your professionalism into question. While assigned as the on-call liaison officer (LNO), you were not present to receive, intake, or provide reports of three 5th Special Forces Group casualties because you were drunk. Your conduct undermines the trust given to a senior non-commissioned officer (NCO) and fails to meet the standards set forth in the Ranger Creed.

2. As a Ranger and an NCO, you are charged with setting the example for others to follow and always endeavoring to uphold the honor and prestige of the Ranger Regiment. In this instance, you failed in your charge. I expect you to reflect on this shortcoming and evaluate how your future duty performance will reflect the degree of professionalism expected of a senior NCO in the Regiment and U.S. Army.

3. This is an administrative letter of reprimand imposed under the provisions of AR 600-37 and not as punishment under the Uniform Code of Military Justice. I will place this letter of reprimand in your local unit file where it will remain for 18 months, or until you are reassigned to another general court-martial jurisdiction, whichever is sooner.

A handwritten signature in black ink, appearing to read "J. Keirse", with a large, stylized flourish at the end.
